

## 2017–2018 Verification Worksheets

### Certification Page

Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Any financial aid awarded prior to verification is tentative. Financial Aid Services has the right, after reviewing your verification information, to change or cancel your award. If a change is necessary, either you will be asked to correct, or the school will make the correction. Changes in funding, administrative/technical errors, changes in application information, enrollment status or reclassification in residency will affect your financial aid award and may result in a revised financial aid award. That will be sent to you via email, or to your postal address, if an email is unavailable.

By my signature, I certify that all information submitted with and written on this application is complete, accurate, and corrections may be made based on data provided, and that if I purposely give false or misleading information on this worksheet, I may be fined, sentenced to prison, or both. I also certify that any federal or state financial aid funds I may receive will only be used to pay for educational expenses related to my attendance at The Joe Kubert School of Cartoon & Graphic Art Inc.

Any suspicious representation may be reported to the Office of Inspector General (OIG) for review.

**Failure to submit information in a timely fashion may result in the application being filed as inactive with no further consideration and no federal aid for the academic year.**
